# About Güneybağlılar

Since 1974, Güneybağlılar is one of the leading operator in Turkey with its experiences and determination in the field of automotive spare parts.

Güneybağlılar is awake to 'innovation' word that we proudly added to our title, raise the bar day by day with its stable position and with its unconditional customer and supplier satisfaction without compromising quality. Güneybağlılar is the pioneer of the sector in Turkey and do its best to not to lose the position.

Güneybağlılar follows the new achievements of its sector and tries to find the best solution for its customers and suppliers. Güneybağlılar directs its suppliers about the market goals and Güneybağlılar always supports them to develop themselves.

Güneybağlılar behaves its workers as the owners of the company and they work with their greatest efforts to improve themselves in their fields.

Güneybağlılar motto is 'To support is to gain.' Güneybağlılar always supports its suppliers, workers and customers.

Güneybağlılar is the main company and has some other branches in automotive industry. All branch companies and brands work in the same sector on the contrary of other rivals.
